

## Experience the Power of Real-time Web-based Video Depositions

You can benefit from the most cutting-edge technology available to legal professionals. LiveDeposition allows court reporters to stream real-time video depositions around the country and across the globe, with just a few clicks of a mouse. It is the ultimate tool for court reporters to broadcast, in real-time, the audio, video, and text from live depositions to anyone, from anywhere, at any time. There is no lag time and it is completely secure.

### Law Firms turn to LiveDeposition.com because it...

- Requires NO DOWNLOADS and is 100% Web-Based
- Establishes a forceful presence throughout the course of remote depositions
- Gives every team member the opportunity to examine and assess a witness's mannerism
- Allows team input and collaboration through private group chat
- Provides a way for team members to attend depositions without incurring costly travel expenses
- Frees valuable resources, allowing law firms the ability to deal more effectively with overall caseloads
